## IN THE CLAIMS

Kindly amend claims 1, 20 and 35 as follows.

The following is a complete listing of revised claims with a status identifier in parenthesis.

## LISTING OF CLAIMS

1. (Currently Amended) A system for providing personalized notification comprising:

a controller adapted to compare personal information and administrative information related to an event <u>a user is participating in</u> and further adapted to send a personalized notification to [[a]] <u>the</u> user concerning the <u>user's participation in the</u> event.

- 2. (Original) The system as in claim 1 wherein the event is a lottery.
- 3. (Original) The system as in claim 1 wherein the event is a sports or entertainment event.
- 4. (Original) The system as in claim 1 wherein the event is an educational event.
- 5. (Original) The system as in claim 1 wherein the event is an exam.
- 6. (Original) The system as in claim 1 wherein the personal information comprises a preferred method of notification.

- 7. (Original) The system as in claim 1 wherein the controller is further adapted to send the notification via one of the user's preferred notification methods.
- 8. (Original) The system as in claim 7 wherein the controller is further adapted to send the notification via email.
- 9. (Original) The system as in claim 7 wherein the controller is further adapted to send the notification via a daytime telephone number.
- 10. (Original) The system as in claim 7 wherein the controller is further adapted to send the notification via a nighttime telephone number.
- 11. (Original) The system as in claim 7 wherein the controller is further adapted to send the notification via facsimile.
- 12. (Original) The system as in claim 1 wherein the controller comprises a server.
- 13. (Original) The system as in claim 1 wherein the controller comprises an Internet server.
- 14. (Original) The system as in claim 1 further comprising a user database adapted to store the personal information.
- 15. (Original) The system as in claim 1 further comprising an administrative database adapted to store the administrative information.

- 16. (Original) The system as in claim 1 further comprising a user network access unit adapted to send the personal information to the controller.
- 17. (Original) The system as in claim 1 further comprising an administrative network access unit adapted to send the administrative information to the controller.
- 18. (Original) The system as in claim 1 wherein the personal information comprises a lottery number.
- 19. (Original) The system as in claim 1 wherein the administrative information comprises a winning lottery number.
- 20. (Currently Amended) A method for providing personalized notification comprising:

comparing personal information and administrative information related to an event <u>a user</u> is participating in; and

sending a personalized notification to [[a]] <u>the</u> user concerning the <u>user's</u> <u>participation in the</u> event.

- 21. (Original) The method as in claim 20 wherein the event is a lottery.
- 22. (Original) The method as in claim 20 wherein the event is a sports or entertainment event.

- 23. (Original) The method as in claim 20 wherein the event is an educational event.
- 24. (Original) The method as in claim 20 wherein the event is an exam.
- 25. (Original) The method as in claim 20 wherein the personal information comprises a preferred method of notification.
- 26. (Original) The method as in claim 20 further comprising sending the notification via one of the user's preferred notification methods.
- 27. (Original) The method as in claim 26 further comprising sending the notification via email.
- 28. (Original) The method as in claim 26 further comprising sending the notification via a daytime telephone number.
- 29. (Original) The method as in claim 26 further comprising sending the notification via a nighttime telephone number.
- 30. (Original) The method as in claim 26 further comprising sending the notification via facsimile.
- 31. (Original) The method as in claim 20 further comprising storing the personal information.

- 32. (Original) The method as in claim 20 further comprising storing the administrative information.
- 33. (Original) The method as in claim 20 wherein the personal information comprises a lottery number.
- 34. (Original) The method as in claim 20 wherein the administrative information comprises a winning lottery number.
- 35. (Currently Amended) A programmed medium adapted to compare personal information and administrative information related to an event <u>a user is participating in</u> and further adapted to send a personalized notification to [[a]] <u>the</u> user concerning the <u>user's participation</u> in the event.
- 36. (Original) The programmed medium as in claim 35 wherein the event is a lottery.
- 37. (Original) The programmed medium as in claim 35 wherein the event is a sports or entertainment event.
- 38. (Original) The programmed medium as in claim 35 wherein the event is an educational event.
- 39. (Original) The programmed medium as in claim 35 wherein the event is an exam.

- 40. (Original) The programmed medium as in claim 35 wherein the personal information comprises a preferred method of notification.
- 41. (Original) The programmed medium as in claim 35 further adapted to send the notification via one of the user's preferred notification methods.
- 42. (Original) The programmed medium as in claim 41 further adapted to send the notification via email.
- 43. (Original) The programmed medium as in claim 41 further adapted to send the notification via a daytime telephone number.
- 44. (Original) The programmed medium as in claim 41 further adapted to send the notification via a nighttime telephone number.
- 45. (Original) The programmed medium as in claim 41 further adapted to send the notification via facsimile.
- 46. (Original) The programmed medium as in claim 35 further adapted to store the personal information.
- 47. (Original) The programmed medium as in claim 35 further adapted to store the administrative information.
- 48. (Original) The programmed medium as in claim 35 wherein the personal information comprises a lottery number.

- 49. (Original) The programmed medium as in claim 35 wherein the administrative information comprises a winning lottery number.
- 50. (Original) The programmed medium as in claim 35 wherein the medium comprises a CD.
- 51. (Original) The programmed medium as in claim 35 wherein the medium comprises a magnetic storage device.
- 52. (Original) The programmed medium as in claim 35 wherein the medium comprises a digital storage device.
